Fuel Cards at a Glance:

Shell Fleet Navigator®

- Best for larger businesses with broader footprints and a need for tighter control over spend
- Our universal product, accepted at 95% of all U.S. fueling stations, plus 45,000 maintenance locations
- Combines the best of the Shell brand with advanced reporting and controls

Shell Fleet Plus®

- Best for small to mid-sized businesses with predictable fuel patterns
- The nation's largest brand network, with 14,000+ Shell stations plus participating Jiffy Lube® locations
- Ability to keep driver transactions to a specific network of sites, and leverage available rebate schedules

Shell Small Business™

- Best for small businesses that need an open line of credit
- The nation's largest brand network, with 14,000+ Shell stations plus participating Jiffy Lube® locations
- Shell loyalty provides benefits for businesses that are starting to grow and need flexibility
